

Bringing in the New Year, 2014

We are pleased to announce our new Food and Beverage Director Tim Lewis

Tim is an accomplished restaurant entrepreneur and food advocate. He received his B.A. from St. Cloud State University. Moving from Minnesota to Florida to experience a different part of the USA, he encountered many different restaurant personalities and gained a wide palate from tasting a multitude of dishes. The love of food is what brought him and his wife together. He met Michelle (his wife), while out partaking in some Irish fun. They have 2 spunky daughters and a wild but exciting puppy. Tim enjoys cooking and entertaining, taking his family to Walt Disney World, and going on trips to Las Vegas. He is excited to experience all Alaska has to offer and contribute to the success of Cape Fox Lodge.
